ENGINEERS' Week

Feb. 18 - Feb. 24, 1973

WHEREAS, during this traditional observance of Engineers' Week, it is appropriate that all Americans honor those talented, hard-working men and women whose skills are so basic to realizing technological advances that will assure us the improvement we seek in the quality of life in our society; and,

WHEREAS, it is indeed fitting that the Engineers in 1973 are directing their abilities toward a better environment through technology; and,

WHEREAS, I am confident that their assistance will be invaluable in solving many of the environmental problems we face; and,

WHEREAS, it is well that we salute their imagination, recognize their achievements, and encourage their continuing dedication to the needs of their fellow South Dakotans and the Nation; and,

WHEREAS, on behalf of our grateful State I wholeheartedly applaud the leadership which they may provide as individuals and as a profession; and,

THEREFORE pay tribute to these builders of yesterday and tomorrow:

NOW, THEREFORE, I, RICHARD F. KNEIP, Governor of the State of South Dakota, do hereby declare the week of February 18 through February 24, 1973 as
